Acknowledgements

We are very grateful to our Queen Street members, many friends, local organisations and businesses for their generous donations which have made our Flower Festival possible.

A special thank you to all our flower arrangers, musicians, helpers behind the scene, stewards, printers and those providing refreshments.

Please take time to browse through the Flower Festival Memory Book near the 'wardrobe doors' and why not spend some quiet time sitting, listening to the music?

Very many thanks to all those who have encouraged and supported me throughout the preparation of the festival.

From the minister

Over the years, millions of children and adults have thrilled to discover the brilliant writings of C.S. Lewis and the magical world he created - Narnia where creation was sung into being, animals could talk and fantastic adventures abounded, and at the centre of it all, the constant, strong and literally life-giving presence of Aslan.

As you smell the fragrance and see the colours of the flowers, we pray you will discover there is One who created this world by his word. As you admire the hard work and skill of the arrangers, we pray you will discover there is One who gives gifts to people and works in our lives for good. As you follow the story of *the Lion, the Witch and the Wardrobe* in flowers around the church, we pray you will come to know that in this world it was not a stone table but a wooden cross that rescued us from stony death and that it is not Aslan but Jesus who overcomes evil and gives us new life

There are people around in church who are only too happy to direct you to various booklets and information. Or else, you could contact me by letter, phone or email and I would be delighted to send you an invite to our autumn ALPHA course, which is a 10 week no pressure course in which we invite people to find out about the Christian faith.

This Flower Festival, we invite you to “push the fur coats of this world and enter the snowy wood of imagination. The light just ahead is much more than a mere lamp-post.” (Kurt Brunner & Jim Ware, *Finding God in the Land of Narnia*)

Jesus said, “I am the Light of the World, whoever believes in me will not walk in darkness but will have the light of life.” (John 8:12)
